Legendary Resistance (3/Day)

If the Chrono-Leper fails a saving throw, it can choose to succeed instead. When it uses this trait, it immediately teleports up to 60 feet to an unoccupied space it can see.

Temporal Regeneration

If the Chrono-Leper has 112 hit points or fewer at the start of its turn, it regains 5 hit points. If the Chrono-Leper takes radiant or force damage, this trait doesn't function at the start of its next turn.
